NON-SOCIAL LODGING

Not all dogs are suited for K9 interaction, but they do require human connection and exercise. Our accommodations provide lots of run around and one on one time with our pet pals. You may want to add a special treat for your dog from our ala carte menu to make his stay a little more personal.

LARGE KENNEL **\$37**

SMALL KENNEL **\$31**

*Includes 2 premium holistic meals, 24 hour supervision, layered bedding, relief times every 2-3 hours and Tails Healthy Warranty
